

Work Health Safety Policy

Birdon is committed to providing a safe working environment at all of our workplaces, and to continually improve our work, health and safety performance.

To achieve this, Birdon shall:

- Comply with statutory requirements, codes, standards and guidelines,
- Set up measurable objectives and targets, with the aim of mitigating work related incidents in relation to our activities, products and services,
- Define roles and responsibilities for work, health and safety strategies,
- Ensure work, health and safety management principles are included in all organisational planning activities,
- Provide ongoing education and training to all of our employees,
- Consult with employees and other parties, to improve decision-making on work, health and safety matters,
- Ensure incidents are investigated, with lessons learnt provided, and
- Distribute work, health and safety information, including this policy, to all employees and interested parties.

Commitment

The Senior Management Team is fully committed to, and shall support, a process of providing a safe working environment at all of our workplaces.
